Conditional and incomplete tenders are liable to summary rejection.

7. Opening and evaluation of tender.
Opening of Technical Proposal

i. Technical proposals will be opened by the Tender Inviting Authority or his authorized representative electronically from the website stated above, using their Digital Signature Certificate.

ii. Intending tenderers may remain present if they so desire.

iii. Cover (Folder) for Statutory Documents (vide Clause 3.2A) will be opened first and if found in order, Cover (Folder) for Non-Statutory Documents (vide Clause 3.2B) will be opened. If there is any deficiency in the Statutory Documents, the tender will summarily be rejected.

iv. Decrypted (transformed into readable formats) documents of the Non-statutory Cover will be downloaded, and handed over to the Tender Evaluation Committee.

7.2. Tender Evaluation Committee (TEC)

As per existing rule.

7.3 Uploading of summary list of technically qualified tenderers (1st round)

i. Pursuant to scrutiny and decision of the Technical Evaluation Committee (TEC), the summary list of eligible tenderers for the work whose Technical & Financial Proposals will be considered will be uploaded in the web portals.

ii. While evaluation, the committee may summon of the tenderers and seek clarification/information or additional documents or original hard copy of any of the documents already submitted and if these cannot be produced within the stipulated time frame, their proposals will be liable for rejection.

7.4. Opening and evaluation of Financial Proposal

i. Financial proposals of the tenderers declared technically eligible by the Tender Evaluation Committee will be opened electronically by the Tender Inviting Authority from the web portal stated above on the prescribed date.

ii. The encrypted copies will be decrypted and the rates will be read out to the contractors remaining present at that time.

iii. After opening of the financial proposal the preliminary summary result containing inter-alia, name of contractors and the rates quoted by them will be uploaded.

iv. If the Tender Accepting Authority is satisfied that the rate obtained is fair and reasonable and there is no scope of further lowering down of rate, he may after having the comparative statement test checked by the Divisional Accountant / Divisional Accounts Officer attached to the office of the concerned Executive Engineer, instruct the Tender Inviting Authority to upload the final summary result containing the name of contractors and the rates quoted by them against each work after acceptance of the rate.

v. However, if there is any scope for lowering down of rates in the opinion of the Tender Accepting Authority, all the tenderers will be notified through the website to attend sealed bids to be followed by open bids to be held at the office of the Tender Accepting Authority in his presence at prescribed date and time, which will be done offline, i.e. as manually, as per present procedure.

vi. After holding such bids, final result after acceptance of the rate by the Tender Accepting Authority would have to be uploaded in the web portal.

vii. The Tender Accepting Authority may ask any of the tenderers to submit analysis to justify the rate quoted by that tenderer.

8. Bid validity:
The Bid will be valid for 120 days from the date of opening of the financial bid.

9. Acceptance of Tender:

Lowest valid rate should normally be accepted. However, the Tender Accepting Authority does not bind himself to do so and reserve the right to reject any or all the tenders, for valid reasons and also reserves the right to distribute the work amongst more than one tenderer.
9.1. Execution of Formal tender after acceptance of tender

Additional terms and conditions:

1) The Executive Engineer of the Division concerned will be the Engineer-in-Charge in respect of the contract and all correspondences concerning rates, claims, change in specification and/or design and similar important matters will be valid only if made by the Engineer-in-Charge. If any correspondence of above tender is made with Officers other than the Engineer-in-charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and approved by him. The instruction given by the Sub-Divisional Officer and the Junior Engineer on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute, the decision of Engineer-in-Charge shall be final and binding.

2) The Government shall not be held liable for any compensation due to machines becoming idle for any circumstances including untimely rains, other natural calamities, strike, etc. No compensation for idle labour, establishment charge or on other reasons such as variation of price index etc. will be entertained.

3) The Bidder shall have to comply with the provisions of (a) Contract labour (Regulation & Abolition) Rules, 1970, and (b) Minimum Wages Act, 1948 or the modification thereof or any other laws relating thereto as will be in force from time to time.

4) No mobilization / secured advance will be allowed unless specified otherwise.

5) All working tools and plants, scaffolding, construction of vats and platforms will have to be arranged by the contractor at his own cost. The contractor shall also supply mazdoors, bamboos, ropes, pegs, flags etc. for laying out the work and for taking and checking measurements for which no extra payment will be made.

6) A machine page numbered Site Order Book (with triplicate copy) will have to be maintained at site office by the contractor and the same has got to be received from the Engineer-in-charge before commencement of the work. Instructions given by inspecting officers will be recorded in this book and the contractor must note down the action taken by him in this connection as quickly as possible.

7) The work will have to be completed within the time mentioned in the tender notice. A suitable work programme is to be submitted by the contractor within 7 (Seven) days from the date of receipt of Work Order which should satisfy the time limit of completion. The contractor should inform in writing the name of his authorized representative at site within 7 (Seven) days from the date of receipt of Work Order who will receive instruction of the work, sign measurement book, bills and other Government papers, etc. However the contractor will have to accept the work programme and priority of work fixed by the Engineer-in-charge.
