Sir/ Madam,

I am directed to inform that in connection with proper implementation of Online Building Plan Sanction (OBPS) in e-District portal under Ease of Doing Business (EoDB), mandate for online approval of building plan had already been issued vide No. 441/MA/O/C- 4/1M-31/2015(Pt. I) dated: 4th July, 2017. It is observed that despite development of software and training of ULBs on the use Online services through e-District portal, the online services are not being implemented , resulting lowering of the rank of the State in all India perspective under EoDB and also hindering the progress of e-Governance initiatives of the State.

I am now directed to request you that to ensure that online modules available in the e-district portal related to Building plan etc. must be made functional using the IT system of your Corporation positively **with effect from 1st September, 2019** so that all applicants are provided services only through online without physical touch point for document verification and payments and also within the time frame specified under the WBRTPS Act, 2013.

I am further directed to state that the entire matter of online sanction of building plan etc. shall be monitored by Superintending Engineer, Planning Circle(South) , Municipal Engineering Directorate in South Bengal and Superintending Engineer,Planning Circle (North) , Municipal Engineering Directorate in North Bengal and send their compliance report directly to this end.

Sri Sohan Banerjee, Assistant Engineer, Municipal Engineering Directorate in Kolkata (Mobile no.9674953523 and email id: medsepl@yahoo.in) shall act as the Nodal Officer of the above mentioned e-services under e-district portal (www.edistrict.wb.gov.in/PACE/)

Top most priority should be attached to this and all necessary action including adequate publicity should be arranged from the end of ULBs.

This has approval of the Hon'ble Minister-in-charge of this Department.

Yours faithfully,
